

## **TASL Bookmark Contest 2020 Instructions for the School Librarian & Entry Checklist**

**2020 Theme:** Design a bookmark that expresses your love for your school library or your love of reading.

***Please read carefully! Return this signed checklist form with your entries.***

We will make a reasonable attempt to resolve any discrepancies with your entry, but it is possible that incorrect submissions may result in disqualification of your student's entries.

Submit only three entries for each division. (Hold a preliminary contest at your school to select your 3 finalists. Ask your Art Department and school community to become involved. The bookmark needs to reflect the theme.)

Division I (Primary – K-2) and II (Intermediate 3-5): Only HAND DRAWN images may be submitted.

Division III (Middle School 6-8) and Division IV (High School 9-12) ONLY: Students may submit either hand drawn or digital art entries.

ONLY THREE (3) finalists may be submitted in each division for the state contest, regardless of art form.

You (the school librarian) acknowledge the above entry qualification and agree to the best of your knowledge that all entry submissions are students' original designs, their own artistic work, and will not violate copyright in any way.
