

TASL Past Presidents

The term originally was from conference to conference. In April 1994, the term was changed so the president would serve to coincide with the conference site. Consequently, Donna Garrett served two years in order to facilitate that stipulation. The bylaws were changed in 2000 to make the term begin January 1 of each year.

| Term | Name | Home Location |
|----------------|-------------------|----------------------|
| 1990-91 | Marilyn Smith | Millington |
